President's Update

Construction on the fishing pier is coming close to completion. It looks like the wiring should be complete by next week. The cleaning station will be relocated to under the roof area. The road crew continues to make improvements to our roads. A portion of Seminole has been resurfaced and I observed Jesse on Holiday Village Drive getting ready to put asphalt down.

Two new BOD members were appointed at the September 21, 2024, meeting. Randy Martin was appointed for the position until the May 2025 election and Jonathan Nesbit was appointed to fill the position until May of 2026. Thank you to both of you for volunteering.
