HV of Fork Owners Association

HV of Fork Mowing Program

With the addition of our own mowing equipment, the POA is now positioned to offer a regular mowing program for property owners that will enhance the appearance of our entire community.

The mowing season will begin March 1, 2022, and continue through November 1, 2022. Mowing will be scheduled every other week. Each mowing includes weed eating and mowing of the ditch area.

Pricing will be based on number of lots with a monthly flat rate. Please submit the enrollment form below or contact the operations office at the Clubhouse (903-878-7051) for price quotes on your lot(s). All charges are payable in advance and can be paid as a single payment for the 9-month mowing season on or before March 1st or monthly.

Please complete the enrollment form below and return by mail or email to hvclubhouse@hvfpoa.com or drop off at the business office. This program is administered by HVF POA and supervised by the Operations Manager. HV of Fork Owners Association nor its employees will be liable for damage to property.

As a reminder, in accordance with Deed Restrictions, at no time shall grass or weeds exceed 12 inches in height. Our mowing crews will mow all unattended lots that are over 4-6 inches tall. Owners will be billed accordingly. There will not be a penalty, but you will be asked to join the mowing program to avoid such action in the future. Lots that are not on the mowing program will get mowing only. Lots on the program will get weed eater and trimmed.
