## HV of Fork Owners Association

### **NOTICE TO PROPERTY OWNER**

Please be aware that a storage building/garage may not be used for overnight accommodations or sleeping quarters. Plumbing and plumbing fixtures are not allowed in storage buildings or garages. These restrictions are plainly outlined in the Deed Restrictions that you received at the time you purchased your property. Should you or anyone else use the storage building/garage for overnight sleeping quarters, you will be subject to having a suit filed against you for violation of the Deed Restrictions and could face a possible fine of \$200.00 per violation. Each night spent would constitute a separate violation.

## BUILDING PERMIT HOLIDAY VILLAGE COMMUNITIES

Please be advised that construction cannot commence until this application for a building permit has been approved by the Architectural Control Committee (ACC). No permits will be approved without pictures and/or building plans for all dwellings, prefabricated cabins, storage buildings, carports, garages, etc. All manufacturing dates will be required on all buildings. No mobile homes over 5 years old will be approved.

All structures and materials must come in through the South gate from County Road 1214 and owners must make an appointment with the POA, at least 5 days prior to delivery date, for entry. Please call 903-878-7051 to set your appointment AFTER the permit has been approved by the ACC.

Before you place any fixed improvements on your property you should have an independent property survey prepared by a registered professional surveyor. Prior to placing the property on the market the developer had a survey in which all lots were staked and a plat was recorded. However, utility companies and property owners destroy stakes and move them which could affect the improvements placed on your property. The sales department will attempt to locate your boundaries at the time of sale but Real Estate Agents are not certified to prepare surveys and locate boundary lines. **THE DEVELOPER HAS NO LIABILITY FOR IMPROVEMENTS THAT ARE PLACED INCORRECTLY ON YOUR PROPERTY. IF ANY OF YOUR IMPROVEMENTS ARE CONSTRUCTED OR PLACED ON THE WRONG LOT OR ENCROACH ON EASEMENT AREAS OR FAIL TO COMPLY WITH SETBACK LINES, IT WILL BE YOUR RESPONSIBILITY TO HAVE THE IMPROVEMENTS MOVED.**
