HV of Fork Owners Association

Policy 2021-11-01

HV of Fork Owners Association Notification & Email registration policy

Purpose. The purpose of this Email Registration Policy is to facilitate proper notice of annual and special meetings of members of the Association pursuant to Section 209.0051(e) of the Texas Property Code. Beginning September 1, 2020 all notices of annual meeting, open Board meetings, and special meetings shall be posted to web page www.holidayvillagefork.com, and sent by email to owners, and posted at the clubhouse 335 Geronimo, Quitman, TX. No other notice will be sent.

Email Registration: Should the owner wish to receive any and all email notifications of annual and special meetings of members of the Association, it is the owner's sole responsibility to register his/her email address with the Association and to continue to keep the registered email address updated and current with the Association. In order to register an email address, the owner must provide their name, address, phone number and email address through the method provided on the Association's website, if any, and/or to the official contact information provided by the Association for the operations manager.

Failure to Register. An owner may not receive email notification or communication of annual or special meetings of members of the Association should the owner fail to register his/her email address with the Association and/or properly and timely maintain an accurate email address with the Association. Correspondence to the Association and/or Association manager from an email address or by any method other than the method described in No. 2 above will not be considered sufficient to register such email address with the Association.

Amendment. The Association may, from time to time, modify, amend, or supplement this Policy or any other rules regarding email registration.

This policy supersedes all previous notification policies.
